Assuming you are returning to your position as a Region 3 OSC, your warrant should be valid. You may want to check your Certificate of Appointment (warrant) to verify its applicability.

Subject: Warrant question

Andy,

I am an OSC who left the OSC position for four months (Oct 2011 - March 2012) to be a manger in another EPA job. I had a warrant in good order before I left. I left the position and returned to the OSC position for various reasons.

My question is do I still have a warrant?

If you do not know the answer or if the answer is no, can you tell me the individual at HQ who can tell me what I need to do to get my warrant back?

Thank,
Rich
